The ROBERTS® 18" Pro Grade, VCT Vinyl Tile and Luxury Vinyl Tile Cutter is a professional-grade cutter designed to deliver clean, accurate cuts. It rip-cuts tiles up to 18" and diagonally cut tiles up to 12". It has an adjustable, easy to read measuring guide with 45-degree miter guide that makes cutting VCT a breeze, and is equipped with an adjustable industrial-grade carbon steel blade for precision cutting. Additional design features include a heavy-duty aluminum base, built-in casters for increased maneuverability, rubber feet to hold steady while cutting, and a slotted handle to easily carry.
