ROBERTS® 4" Pro Floor and Wall Scraper removes tough materials like stubborn glue and flooring, leaving surfaces smooth and prepped. The 18" handle was crafted with a cushioned grip and an ergonomic, ball cap at the end for more comfortable scraping, because tough jobs don't need to be tough on the body. This scraper includes 1 high speed carbon steel blade that maintains a sharp edge. Replacement blades 10-442-10 (sold separately).
