Convenient carry handle for easy transport

STRAIGHT
Up to 12 in. Vinyl Tile

DIAGONAL
Up to 8 in. Vinyl Tile

The Roberts 10-895 12" Vinyl Tile Cutter makes easy work out of any vinyl flooring installation. With no electricity required and its convenient carry handle, this cutter can be used on any jobsite. The hardened steel blade cuts all brands of vinyl tiles and VCT and comes with a safety latch that secures the blade shut when the cutter is not in use. Firm grip provided by the molded handle gives extra comfort when making many repetitive cuts.
